1. The Great Barrier Reef, Australia

The Great Barrier Reef is one of the most iconic dive destinations in the world. It is home to over 1,500 species of fish, 400 species of coral, and 4,000 species of mollusks. The reef is so large that it can be seen from space!

There are many different ways to experience the Great Barrier Reef. You can snorkel, scuba dive, or take a glass-bottom boat tour. You can also stay on one of the many islands in the Whitsundays, which offer stunning views of the reef.

2. The Maldives

The Maldives is a tropical paradise known for its white-sand beaches, crystal-clear waters, and stunning coral reefs. The Maldives is home to over 1,000 species of fish, including manta rays, whale sharks, and sea turtles.

There are many different ways to experience the Maldives. You can snorkel, scuba dive, or simply relax on the beach. You can also stay in one of the many overwater bungalows, which offer stunning views of the ocean.

3. Raja Ampat, Indonesia

Raja Ampat is a group of islands located in the Indonesian province of West Papua. It is known for its stunning coral reefs, which are home to over 1,500 species of fish. Raja Ampat is also home to a variety of other marine life, including manta rays, whale sharks, and sea turtles.

There are many different ways to experience Raja Ampat. You can snorkel, scuba dive, or take a boat tour. You can also stay on one of the many islands in the area, which offer stunning views of the ocean.

4. The Galapagos Islands, Ecuador

The Galapagos Islands are a group of islands located in the Pacific Ocean. They are known for their unique wildlife, which includes giant tortoises, marine iguanas, and sea lions. The Galapagos Islands are also home to a variety of other marine life, including sharks, rays, and dolphins.

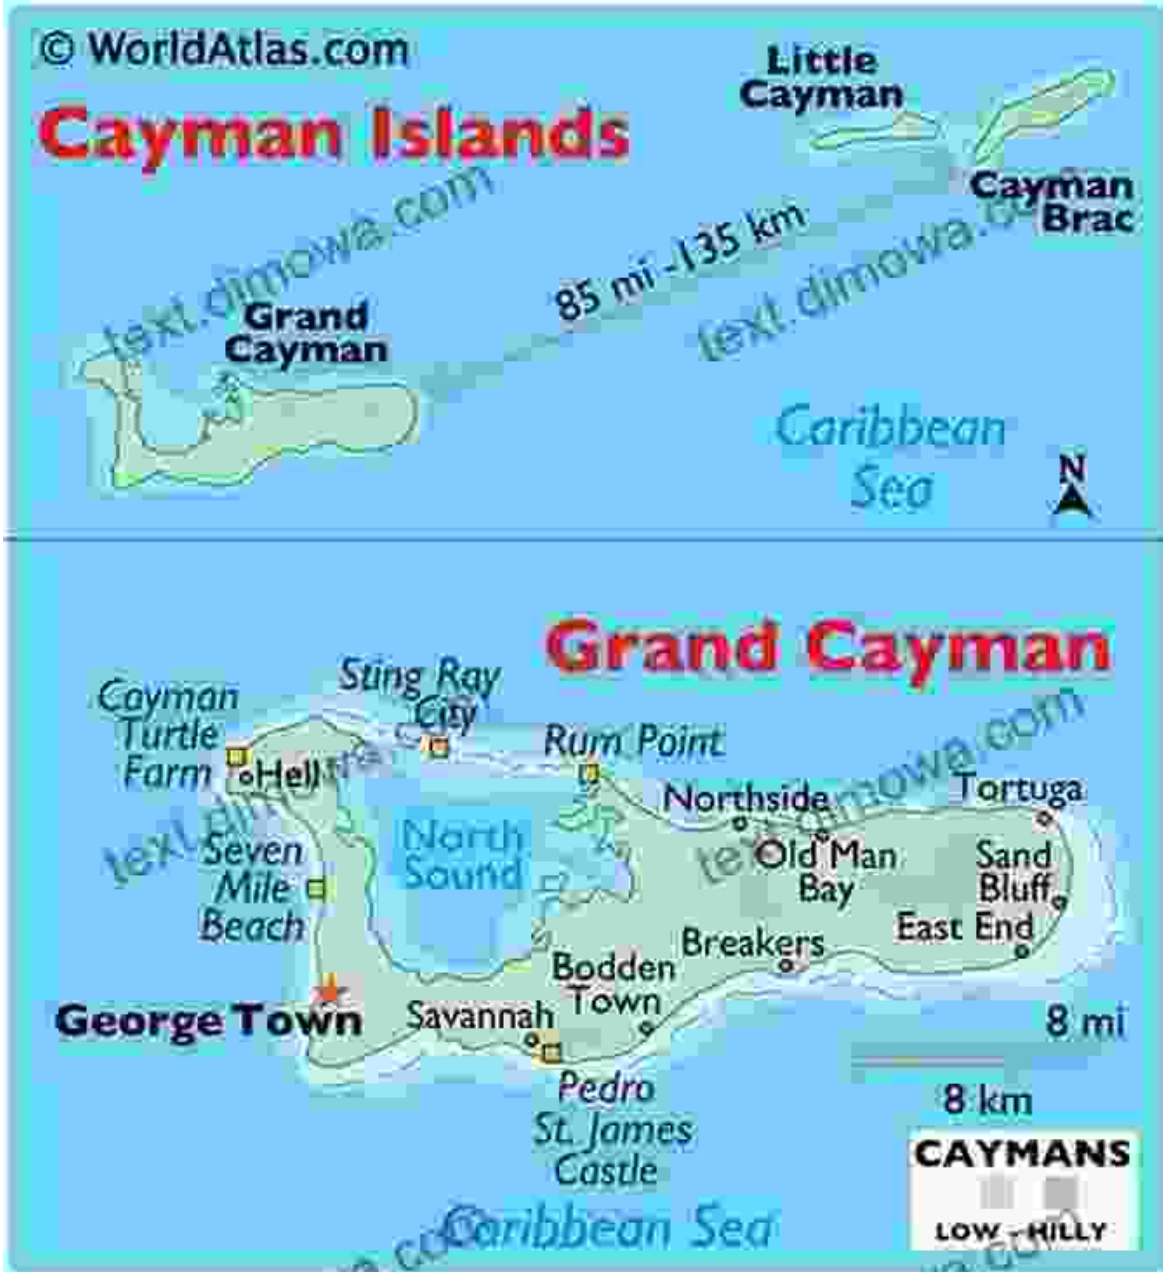

There are many different ways to experience the Galapagos Islands. You can snorkel, scuba dive, or take a boat tour. You can also hike or bike on the islands, or simply relax on the beach.

5. The Cayman Islands

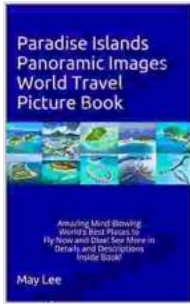

The Cayman Islands are a group of islands located in the Caribbean Sea. They are known for their stunning coral reefs, which are home to over 500 species of fish. The Cayman Islands are also home to a variety of other marine life, including stingrays, turtles, and dolphins.

There are many different ways to experience the Cayman Islands. You can snorkel, scuba dive, or take a boat tour. You can also swim with stingrays or dolphins, or simply relax on the beach.

These are just a few of the world's best places to fly now and dive. If you are looking for an adventure of a lifetime, then you need to check out these destinations. You will not be disappointed!
