**The story follows a group of children who are always asking questions.** They ask their parents, their teachers, and even strangers on the street. But one day, they meet a wise old man who tells them that there are some things that they should never ask.

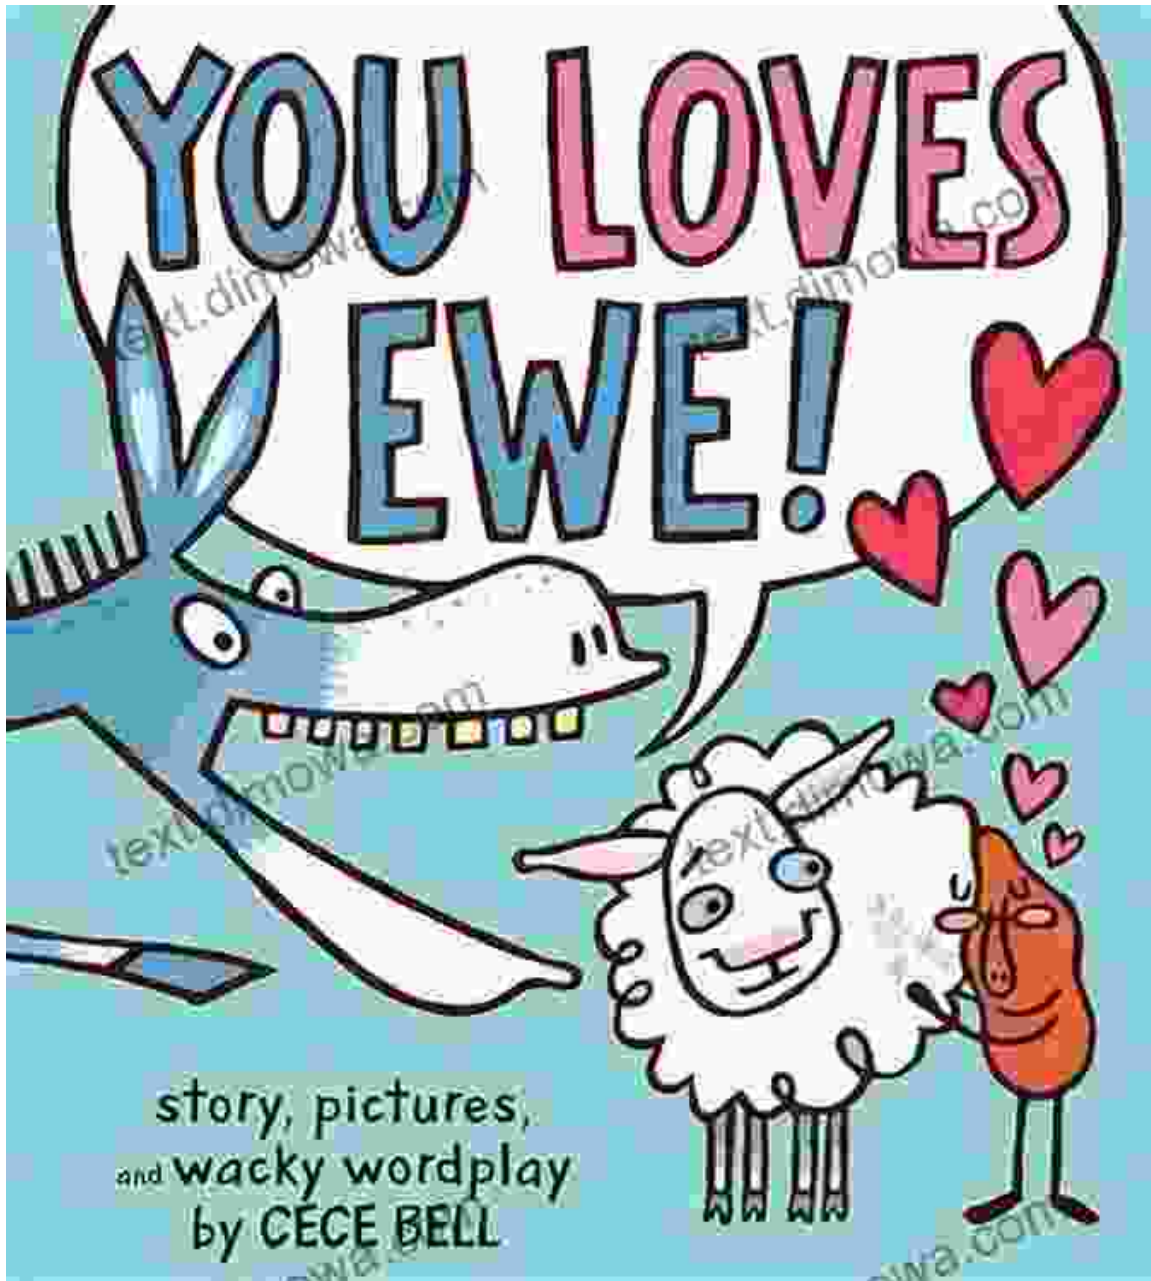

The children are curious, so they decide to ask the old man what he means. He tells them that they should never ask about a person's age, their weight, or their salary. He also tells them that they should never ask a woman if she is pregnant.

The children are shocked. They never realized that there were certain things that they shouldn't ask. But they trust the old man, so they promise to follow his advice.

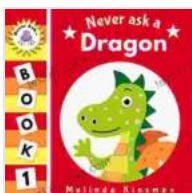

The children go home and tell their parents and teachers about what they learned. Their parents and teachers are happy that they are learning good manners. And the children are happy that they know how to avoid asking embarrassing questions.

This funny read aloud story is a great way to teach children about good manners. It is also a lot of fun to read. Your little ones will love the silly characters and the hilarious situations. And you will love watching them learn about the importance of being polite.
