John Carter and the Gods of Hollywood is a thrilling and imaginative adventure story that takes readers on a journey to the planet Barsoom. The book is set in the early 1900s and follows John Carter, a Confederate soldier who is transported to Barsoom after being caught in a Civil War battle.

On Barsoom, John Carter encounters a strange and wonderful world filled with towering cities, flying ships, and fierce creatures. He also meets the beautiful Dejah Thoris, a Martian princess who becomes his love interest. Together, John Carter and Dejah Thoris must battle against the evil Tharks, a race of green-skinned barbarians who threaten to destroy Barsoom.

John Carter and the Gods of Hollywood is a classic adventure story that is both thrilling and heartwarming. The book is well-written and the characters are well-developed. John Carter is a brave and resourceful hero, while

Dejah Thoris is a strong and independent woman. The book also features a cast of colorful supporting characters, including Tars Tarkas, a Thark warrior who becomes John Carter's ally.

John Carter and the Gods of Hollywood is a must-read for fans of the Barsoom series and for anyone who loves classic adventure stories.
