Nate Dern is not a genius. He's not even close. But he's not an idiot, either. He's just...average. And that's okay.

In a world that seems to be increasingly obsessed with genius, Nate Dern is a refreshing change of pace. He's a reminder that it's okay to be average. It's okay to not be the best at everything. It's okay to just be yourself.

Nate Dern is a character that everyone can relate to. He's funny, he's kind, and he's always trying his best. Even though he's not a genius, he's still capable of great things.

Not Quite Genius Nate Dern is a heartwarming and thought-provoking read that will stay with you long after you finish the last page. It's a story about friendship, acceptance, and the importance of being yourself.
