Miami is a city that never sleeps. It's a city of dreams and nightmares, of wealth and poverty, of beauty and violence. It's a city that attracts people from all over the world, drawn by its promise of opportunity and excitement.

But beneath the glitz and glamour of Miami's surface lies a dark and dangerous underbelly. A world of crime, corruption, and violence. A world that is hidden from most outsiders, but that is all too familiar to the people who live there.

Neon South is a literary journey through this electric underbelly. It's a novel that takes readers on a wild ride through a city that is as seductive as it is dangerous.

The novel's protagonist is a young man named Tony. Tony is a recent transplant to Miami, drawn by the city's promise of opportunity. But he soon finds himself caught up in the city's dark side. He becomes involved with a group of criminals, and he is quickly drawn into a world of violence and danger.

As Tony descends deeper into Miami's underbelly, he begins to lose himself. He becomes more and more violent, and he begins to lose sight of who he is. He is haunted by the memories of his past, and he is struggling to find his place in the world.
