Synopsis

Dr. Emily Carter, a brilliant and dedicated surgeon, finds herself at the center of a deadly medical mystery. When a patient dies unexpectedly during a routine surgery, Emily suspects foul play. As she digs deeper, she uncovers a web of corruption, lies, and cover-ups that reach the highest levels of the hospital administration.

With the help of a determined nurse and a cynical detective, Emily races against time to expose the truth. But every step she takes brings her closer to danger. As the body count rises, Emily must confront her own mortality and the limits of her courage.

Review

"Red Tape and White Knuckles is a gripping medical thriller that will keep you on the edge of your seat from beginning to end. Emily Carter is a relatable and sympathetic protagonist, and her determination to uncover the truth is both inspiring and terrifying. The plot is expertly paced, with plenty of twists and turns to keep you guessing until the very end." - Booklist
