Rocket In My Pocket is an inspiring story of a young astronaut who dreams of reaching for the stars. With determination and hard work, he overcomes challenges and achieves his goals. This book is perfect for children who love space and dream of becoming astronauts.

The story begins with a young boy named Zia who loves space. He spends hours reading books about astronauts and rockets, and he dreams of one day becoming an astronaut himself. But Zia faces many challenges. He is small and weak, and he has to overcome the doubts of his friends and family.

But Zia never gives up on his dream. He works hard and trains every day. He learns about science and math, and he builds his own rockets. With each challenge he overcomes, Zia gets closer to his goal.

Finally, the day comes when Zia is chosen to be an astronaut. He is so excited and proud, and he can't wait to explore space. Zia and his crew travel to the moon, and they make history by being the first astronauts to walk on the moon.

Zia's story is an inspiration to us all. It shows us that anything is possible if we have a dream and we never give up. *Rocket In My Pocket* is a must-read for children who love space and dream of becoming astronauts.
