Delaware County is a hidden gem for anglers, with a diverse range of fishing opportunities. From peaceful ponds to sprawling reservoirs, you're sure to find the perfect spot to cast your line. And with its scenic rivers and creeks, Delaware County is also a kayaker's and canoeist's paradise.

Fishing Spots

There are countless fishing spots to choose from in Delaware County. Here are a few of the most popular:

- **Alum Creek Reservoir:** This 3,190-acre reservoir is home to a variety of fish species, including largemouth bass, smallmouth bass, crappie, bluegill, and catfish. There are several boat launches and fishing piers around the reservoir, making it easy to access the water.
- **Delaware Lake:** This 1,250-acre lake is another great option for fishing. It's stocked with rainbow trout, brown trout, and walleye, and it also has a good population of largemouth bass, smallmouth bass, crappie, and bluegill. There are two boat launches and a fishing pier on the lake.
- **Scioto River:** This scenic river flows through the heart of Delaware County. It's a great place to fish for smallmouth bass, walleye, catfish, and carp. There are several public access points along the river, including canoe and kayak launches.
- **Olentangy River:** This river is a tributary of the Scioto River. It's a great place to fish for trout, bass, and panfish. There are several public access points along the river, including canoe and kayak launches.

Boat Launches

There are several public boat launches in Delaware County. Here are a few of the most popular:

- **Alum Creek Reservoir:** There are four boat launches around Alum Creek Reservoir: the Alum Creek State Park launch, the Liberty

Township launch, the Orange Township launch, and the Powell launch.

- **Delaware Lake:** There are two boat launches on Delaware Lake: the Delaware State Park launch and the Alum Creek State Park launch.
- **Scioto River:** There are several public access points along the Scioto River where you can launch a canoe or kayak. Some of the most popular access points include the Griggs Dam access, the O'Shaughnessy Dam access, and the Hayden Run access.
- **Olentangy River:** There are several public access points along the Olentangy River where you can launch a canoe or kayak. Some of the most popular access points include the Delaware State Park access, the Alum Creek State Park access, and the Powell access.

Scenic Floats

Delaware County is home to several scenic rivers and creeks that are perfect for floating. Here are a few of the most popular:

- **Scioto River:** The Scioto River is a great river for a scenic float. The river is relatively slow-moving, and the scenery is beautiful. There are several public access points along the river where you can launch a canoe or kayak.
- **Olentangy River:** The Olentangy River is another great option for a scenic float. The river is a bit more challenging than the Scioto River, but it's still a great option for beginners. There are several public access points along the river where you can launch a canoe or kayak.
- **Blacklick Creek:** Blacklick Creek is a smaller creek that's perfect for a leisurely float. The creek is surrounded by beautiful scenery, and it's a

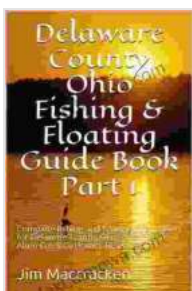

great place to see wildlife. There are several public access points along the creek where you can launch a canoe or kayak.

Fishing Techniques

There are a variety of fishing techniques that can be used in Delaware County. Here are a few of the most popular:

- **Baitcasting:** Baitcasting is a technique that uses a baitcasting reel and rod. It's a great technique for fishing for bass, walleye, and catfish.
- **Spinning:** Spinning is a technique that uses a spinning reel and rod. It's a great technique for fishing for trout, panfish, and walleye.
- **Fly fishing:** Fly fishing is a technique that uses a fly rod and fly line. It's a great technique for fishing for trout and bass.

Delaware County, Ohio, is a great place to go fishing and floating. With its diverse range of fishing opportunities and scenic waterways, there's something for everyone. So grab your gear and head to Delaware County for an unforgettable angling experience.
