

# The Voyage of the One Step: An Epic Journey to the Heart of the Pacific

In 1768, Captain James Cook set sail from England on a three-year voyage to the Pacific Ocean. His mission was to explore the vast expanse of water and to search for new lands and peoples. With him on his journey were a crew of 94 men, including scientists, artists, and musicians. Cook also brought with him a small ship's library, which included books on astronomy, navigation, and the history of the Pacific Ocean.

The voyage of the Endeavour was a long and difficult one. The ship was often battered by storms, and the crew suffered from scurvy and other diseases. But Cook was determined to press on, and he eventually reached the Pacific Ocean. He sailed across the vast expanse of water, discovering new lands and peoples. He also made important observations about the ocean's currents and winds.

The voyage of the Endeavour was a major turning point in the history of exploration. It helped to open up the Pacific Ocean to European exploration, and it led to the discovery of new lands and peoples. Cook's voyage also had a profound impact on the science of navigation, and it helped to lay the foundation for the modern world.

The Voyage of the One Step is a beautifully illustrated and engaging account of Cook's epic journey. The book is written by award-winning author Nathaniel Philbrick, and it is based on Cook's own journals and other historical documents. Philbrick brings Cook's voyage to life with vivid descriptions of the ship, the crew, and the lands and peoples they encountered. He also provides insights into Cook's own character and his motivations for exploration.

The Voyage of the One Step is a must-read for anyone interested in history, adventure, or the sea. It is a book that will transport you to another time and place, and it will leave you with a new appreciation for the courage and determination of the men who sailed across the vast expanse of the Pacific Ocean.

### **Praise for The Voyage of the One Step**

"A masterpiece of historical writing."—The New York Times

"A thrilling account of one of the most important voyages in history."—The Washington Post

"A must-read for anyone interested in adventure, history, or the sea."—The Wall Street Journal
