The Origins of Dracula

Stoker's inspiration for Dracula came from a variety of sources. He was fascinated by the history of Transylvania and the legends of Vlad the Impaler, a 15th-century Romanian prince known for his cruelty.

In 1890, Stoker began working on his novel, which he initially titled "The Un-Dead." He spent seven years researching and writing the book, drawing on historical accounts, folklore, and his own vivid imagination.
