A Story for Kids Who Love Nature and Adventure

Little Koku is a happy fish who lives in a beautiful coral reef. He loves playing with his friends and exploring the ocean. But one day, everything changes. A big, black cloud appears in the sky and starts to pollute the water.

Koku's friends start to get sick. They can't breathe and they're losing their homes. Koku is determined to save his friends, so he sets out on a journey to find the source of the pollution.

Along the way, Koku meets other animals who have been affected by pollution. He learns about the dangers of plastic bags, oil spills, and other human activities that are harming the environment.

Koku is small, but he's brave and determined. He won't give up until he finds a way to stop the pollution and save his friends.

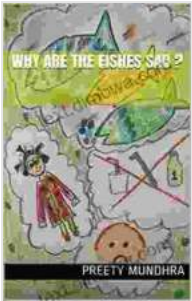

An Inspiring Message for Kids of All Ages

Why Are the Fishes Sad? Little Koku the Green Warrior is a story about the importance of protecting the environment. It teaches kids about the dangers of pollution and shows them that even the smallest person can make a difference.

This book is perfect for kids who love nature and adventure. It's also a great way to teach kids about environmentalism and the importance of protecting our planet.
