

Women in Sports: Breaking Barriers, Facing Obstacles (Volumes 1 and 2)

By Nancy Hogshead-Makar

This two-volume series tells the stories of women who have broken barriers and faced obstacles in the world of sports. From pioneers like Babe

Didrikson Zaharias and Althea Gibson to modern-day stars like Serena Williams and Simone Biles, these women have paved the way for future generations of female athletes.

Volume 1 covers the early years of women's sports, from the late 19th century to the mid-20th century. This was a time when women were largely excluded from organized sports and faced significant discrimination. But despite these challenges, a number of women defied the odds and achieved great success.

Volume 2 picks up where Volume 1 leaves off, covering the second half of the 20th century and the early 21st century. This was a time of great progress for women's sports, as more and more women gained access to opportunities to play and compete. However, women still faced a number of challenges, including sexism, discrimination, and sexual harassment.

Despite the challenges, the women featured in this series have persevered and achieved great things. They have broken barriers, set records, and

inspired millions of people around the world. Their stories are a testament to the power of determination and the importance of fighting for what you believe in.

Reviews

"A must-read for anyone interested in women's sports history." - The New York Times

"An inspiring and important book that tells the stories of women who have overcome adversity to achieve great things." - The Washington Post

"A valuable resource for anyone who wants to learn more about the history of women's sports." - Sports Illustrated
